Through Wallpaper, from the Bellagio collection, we redefine the concept of wallpaper by merging timeless elegance with the most cutting-edge trends. Its designs are inspired by the visual richness of traditional wallpapers, yet with a renewed approach that elevates ceramics to a new level of sophistication, offering a distinctive appearance.
This range includes a wide variety of options to suit all tastes: from the most classic designs, evoking tradition and intricate detail, to the more modern and daring patterns that push creative boundaries. With carefully selected on-trend colours and graphic patterns that vary in complexity and style, we provide visual continuity and elegance. The main strength of Wallpaper lies in its ability to seamlessly combine with other collections from APE Grupo, achieving the "perfect mix" that transforms surfaces into true works of art. A functional, elegant, and inspiring covering that adapts to various decorative styles.

A través de Wallpaper, de la colección Bellagio, redefinimos el concepto de los papeles pintados al fusionar la elegancia atemporal con las tendencias más vanguardistas. Sus decorados están inspirados en la riqueza visual de los papeles pintados tradicionales, pero con un enfoque renovado que lleva la cerámica a un nuevo nivel de sofisticación y proporciona un aspecto diferenciador.

Esta propuesta incluye una amplia variedad de opciones que se adaptan a todos los gustos: desde los decorados más clásicos, que evocan la tradición y el detalle minucioso, hasta los diseños más modernos y atrevidos, que traspasan nuevos límites creativos. Con colores en tendencia cuidadosamente seleccionados y patrones gráficos que varían en complejidad y estilo, ofrecemos continuidad visual y elegancia. La principal virtud de Wallpaper es su capacidad para combinar a la perfección con otras colecciones de APE Grupo, logrando un "perfect mix" que transforma las superficies en auténticas obras de arte. Un revestimiento funcional, elegante e inspirador que se adapta a distintos estilos decorativos.
